▼ In my 51 years on this planet no one has ever created so much emotion inside of me then President Donald Trump has. I will not go quietly into hibernation anymore. From this point on I will fight until I die to keep this republic one nation under god

▼ So definitely bring guns? Don't worry about the DC police is that what we're saying?

Has the normie media picked up on this yet or will they be silent?

If you are going, I recommend turning your cell phone off and wrapping it in foil. Travel in groups.

I wonder where people are going to park?

▼ Dear God I would die for this man, he is the light in the darkness that shrouds our nation. 2020 has revealed exactly where the devil lurks, and who he controls. And he's in control of the most powerful office in the country as Lin Wood stated, **the Chief Justice of the U.S. Supreme Court**. This is a battle between good and evil. What President Trump is up against is much bigger than him. He has his warriors fighting at his side, the Flynn's, Powell's, Wood's, Giuliani's, Ellis'... but darkness hates the light. The devil is angry with us. He wants us to give up, to be disheartened, to turn our backs on our Lion, our Leader. I know all of you, like me will stand with POTUS and would walk through hell and back for him, regardless of the outcome. If Biden puts his hand on the Bible on January 20th and takes an oath... know that God did not have His hand in this travesty. DONALD J TRUMP FOREVER! ♥

2 And this is why they had to be so blatant with the steal. Trump won in a landslide but the globalist deepstate had no choice but to steal it anyways because Trump is about more than MAGA, he was creating a movement spreading around the world.

▼ They won't be able to call it a coup or dictatorial takeover or some other thing if it's the people doing it. This will be a movement that is clearly derived from the will of the people, and our opposition hates that. The hate that trump has real genuine public support. That's very dangerous to them.

▼ I will always fight for Trump. If back in 2006, you told me, "Donald Trump will be the savior of Western Civilization," I would have thought you were a lunatic. I liked "The Apprentice," and him, but I didn't see him as any kind of ideological or political figure.

Now, in 2020, millions of us will give our lives for Trump. I would, without hyperbole, pick up a rifle and defend him, if asked to "The guy on the Apprentice, will be the greatest president in the history of the United States, and will destroy globalism."

That prophet who predicted this way before Obama was president, probably got called all kinds of pejoratives, yet he has the last laugh.

The renewal of America depends on him. If you don't support him, you support China-funded traitors.

3 The Biden so called "victory" is all a mirage. A mirage of fake votes, fake polls, fake support, lying, cheating, stealing, sedition and treason. POTUS is the actual WINNER and anything less than that is **unacceptable**. Now is the time in our history when true patriots will cross the river.

3 History awaits, when the times comes think of your children and grandchildren and the future the globalists have in store for them.
